Dear Shareholder

NOTICE OF THE FOURTH ANNUAL GENERAL MEETING OF PROSPERITY MINERALS HOLDINGS LIMITED

I am writing to inform you that the AGM of the Company will be held at 5.00 p.m. (Macau time) (10.00 a.m. London time) on 3 September 2010 at Alameda Dr. Carlos D'Assumpcao, nos. 181-187 Centro Comercial do Grupo Brihantismo, 11^o andar "T", Macau. The formal notice of the AGM is set out on pages 5 to 7 (inclusive) of this document.

ORDINARY BUSINESS

Annual report and accounts (Resolution 1)

The Directors of the Company present to the Shareholders for approval at the AGM the annual report and accounts for the financial period ended 31 March 2010 together with the Directors' and Auditors' reports on the annual report and accounts. A copy of the annual report and accounts was sent to Shareholders today on 23 July 2010 and is available for download from www.pmhl.co.uk.

Dividend (Resolution 2)

A final dividend of US9 cents per Ordinary Share is recommended by the Directors for payment to Shareholders on the register of members of the Company at close of business on 17 September 2010. The Ordinary Shares will become ex-dividend on 15 September 2010. Subject to the passing of Resolution 2 at the AGM, the final dividend will be paid on 8 October 2010. No interim dividend was declared following the financial results for the first half ended 30 September 2009.

Re-appointment of Directors (Resolutions 3, 4, 5 and 6)

Even Sheng, who was appointed as a Director subsequent to the last annual general meeting, is retiring in accordance with Article 29 of the Articles of Association and offers himself for re-election at the AGM.

Pursuant to Article 33 of the Company's Articles of Association, at each annual general meeting one-third of the Directors who are subject to retirement by rotation or, if their number is not three or a multiple of three, the number nearest to but not less than one-third, shall retire from office. A Director who retires at an annual general meeting may, if willing to act, be re-appointed. Accordingly, Patrick Siu Ming Li, Sandy Chun-Kwan Chim and Yu Lin Zhao each retire and subsequently submit themselves for re-election at the AGM in accordance with Article 33.

Brief biographical details of each of the Directors standing for re-election appear in the annual report and accounts.

Auditors (Resolutions 7 and 8)

The Company is required at each general meeting at which accounts are presented to appoint auditors to hold office until the next such meeting. KPMG have indicated their willingness to continue in office. Accordingly, Resolution 7 re-appoints KPMG as Auditors to the Company and Resolution 8 authorises the Directors to fix their remuneration.

SPECIAL BUSINESS

Disapplication of pre-emption rights (Resolution 9)

Under the Law all of the unissued share capital of the Company may be issued by the Directors. Although there are no pre-emption rights attaching to the issue of share capital of the Company under the Law, Article 2.8 of the Articles of Association (to the extent not disapplied pursuant to Article 2.16) confers on the Shareholders rights of pre-emption in respect of the allotment of new Ordinary Shares for cash so that unless Shareholders have given specific authority for the waiver of these pre-emption rights, any new Ordinary Shares will be offered first to existing Shareholders in proportion to their existing shareholdings. In certain circumstances, it may be in the best interests of the Company to allot new Ordinary Shares (or to grant rights over Ordinary Shares) for cash without first offering them to existing Shareholders in proportion to their holdings, and the Directors wish to obtain a new authority to do so. Accordingly, Resolution 9 would authorise the Directors to disapply these pre-emption provisions as specified in that resolution.

Resolution 9 would provide the Directors with a degree of flexibility to act in the best interests of the Company so that:

- (i) the Company can follow normal practice in the event of a rights issue, open offer or other offer of securities in favour of the existing Shareholders in proportion to their shareholdings;
- (ii) Ordinary Shares may be issued in connection with any scrip dividend scheme or similar arrangement implemented in accordance with the Articles of Association; and
- (iii) Ordinary Shares may be issued for cash to persons (whether or not they are existing Shareholders) up to an aggregate nominal amount of £135,465 which is equivalent to approximately 10% of the issued ordinary share capital of the Company on 12 July 2010, being the latest practicable date prior to the printing of this document.

If given, the authority will expire at the conclusion of the 2011 annual general meeting or, if earlier, 15 months following this resolution being passed.

It is intended to renew such power at subsequent annual general meetings of the Company.

Authority for the Company to purchase its own shares (Resolution 10)

The Articles of Association permit the purchase by the Company of its own shares subject to Shareholders' prior approval being obtained.

The Company currently has a general authority granted by Shareholders on 1 March 2010 to repurchase up to 40,345,549 Ordinary Shares (approximately 30% of the Company's issued shares) at a maximum price to be paid per share of an amount equal to 120% of the average closing mid-market price of such Ordinary Shares (as derived from the AIM Appendix to the Daily Official List of the London Stock Exchange plc) for the 5 business days immediately preceding the date of purchase. This authority expires at the conclusion of the AGM.

In view of the recent disposal of the cement business of the Company, the Board remains of the view that there could be near-term volatility in the Company's Ordinary Share price. There could be Shareholders who no longer wish to hold their shares after the disposal. In view of the recent thin trading volumes of the Ordinary Shares, Shareholders who wish to exit the Company by selling their Ordinary Shares on the market may create undue downward pressure on the Ordinary Share price and may possibly distort the orderly trading of the Ordinary Shares on AIM. It remains the Board's intention to use some of the proceeds from the disposal to repurchase Ordinary Shares in the market

with a view to closing the pricing gap between the net asset value per Ordinary Share and the current market price per Ordinary Share. Therefore, the Board considers it appropriate that a further similar authority be granted by Shareholders, to expire at the conclusion of the 2011 annual general meeting or, if earlier, 15 months following the resolution being passed.

The resolution specifies the maximum number of Ordinary Shares which may be purchased and the maximum and minimum prices at which they may be bought, reflecting the requirements of the Law. Any buy back would only be made on AIM. Shares which are purchased by the Company may either be cancelled or held as treasury shares, provided that the aggregate number of Ordinary Shares held in treasury does not exceed 10% of the total number of Ordinary Shares in issue. Any Ordinary Shares purchased by the Company in excess of 10% of the total number of the Ordinary Shares in issue will be cancelled.

Shareholders should note that the making and timing of any purchase of Ordinary Shares will always be at the discretion of the Board. No purchase of Ordinary Shares will be made unless it is expected that the effect will be to increase earnings per share and the Board considers it to be in the best interests of all Shareholders. The Directors would only authorise such purchases after careful consideration, taking account of other investment opportunities, appropriate gearing levels, the effect on earnings per share and the overall financial position of the Company.

The Board has been informed by the Company's majority shareholder, Prosperity International Holdings (H.K.) Limited, a company listed on the Hong Kong Stock Exchange, that the exercise of the current share buyback authority may trigger disclosure and possibly shareholders' approval obligations on the part of PIHL under the HK Listing Rules. The Board has therefore given an undertaking to PIHL that it will not exercise its existing share buyback authority to purchase more than £50.6 million of its Ordinary Shares pursuant to the existing share buyback authority unless it has given prior notice to PIHL and any such exercise is subject to PIHL complying with its obligations under the HK Listing Rules at the relevant time. This undertaking expires at the conclusion of the AGM and, conditional on the passing of Resolution 10 at the AGM, the Board intend to give a similar undertaking to PIHL. The Board would like to emphasise that the undertaking does not restrict the Company from buying back more than £50.6 million of its Ordinary Shares. In the event that the ceiling is reached, the Company is only required to allow PIHL time to comply with its regulatory requirements.

The Board intends to seek renewal of this power at subsequent annual general meetings.

ACTION TO BE TAKEN

You will find enclosed a form of proxy for use at the AGM. Please complete, sign and return the enclosed form as soon as possible in accordance with the instructions printed thereon, whether or not you intend to be present at the AGM. Forms of proxy should be returned so as to be received by the Company's Registrars in Jersey, Computershare Investor Services (Jersey) Limited, Queensway House, Hilgrove Street, St Helier, JE1 1AE as soon as possible and in any event no later than 48 hours before the time appointed for holding the AGM.

RECOMMENDATION

Your Directors consider that the proposals described in this letter are in the best interests of Shareholders as a whole and unanimously recommend Shareholders to vote in favour of all the resolutions to be proposed at the AGM, as they intend to do in respect of their own beneficial holdings.

Yours sincerely

David Wong
Chairman
